**Janice, Huntsbury, September 2011**

“Having relocated to Christchurch from Kuala Lumpur a few years back, and not being a good cook, I worried about missing out on all the good food back home. Peter, Malaysia Delights is a life saver, I can get good authentic Malaysian food right here, thanks!  
**Fui, Christchurch, June 2011**

“Was a great restaurant with the surrounding and services. So sad to hear it was closed down due to the earthquake! I wish u all the blessing luck from buddha.  
**Sean, 2010**

“The Satay is to die for, the best i have ever eaten outside of Singapore / Malaysia. :)  
**Julie, Christchurch, 2010**

“My wife and I had been living in Sydney for quite a number of years and recently moved back here to live. One of our big disappointments in moving back was the lack of good asia restaurants here. We were delighted to find the Malaysia Delights Restaurant as the food was authentic Malaysian & we really enjoyed our meals. The meals were of the standard we were used to in Sydney. We will happily go back again.  
**Bryan, Christchurch, 2010**

“Fantastic food we came from Wellington where we loved Malaysian food and Ch Ch didn't have any Malaysian restaurants. We will be back, good for you guys!  
**Di, Rangiora, 2010**

“I have lived in christchurch for 20 yrs. since leaving Malaysia and my tongue has often been hanging out for genuine Malaysian food. Bingo! Tonight I found it. Thank you, Peter, for that beautiful Kueh Chao and real satay. I will definitely make sure I have my order for Bak Kut Teh made well in advance.

“We really enjoy coming to this busy little restaurant. Fantastic flavours, friendly courteous service and it does not break the bank! Highly recommend and we will be back again soon.

**Virginia, 2009**

“Fantastic - I try to eat there regularly. My favourites are the wonton noodle, nasi lemak, and tofu with mushroom gravy. Just like the Malaysian food courts in KL. Keep it coming Uncle Peter!

**Peter, Christchurch, 2009**

“This was really excellent food at exceptional value. A great variety of dishes

**Alan, Christchurch, 2009**

“Malaysia Delights reminds me of the great little Asian restaurants in Sydney's Chinatown area. Great food, cheap and friendly, this has got to be one of Christchurch's best family eateries.

**Paul, christchurch, 2009**

“Scrumptious! It took me back to the amazing dining experiences in Malaysia. It is a fantastic dining experience at such great value.

Try the Penang noodle dish-mmm.

**Nidia, New York, NY, 2009**

## Year 2009

“Food was absolutely amazing and cost was low. You can't beat this place.  
**Ray Solomon, Ashburton, 2009**

“Malaysia Delights is the one and only place for food close to home. Simply delicious!! The roasted duck is a MUST try. Like how singaporeans will say " Die Die Must Try!" Uncle Peter and Aunty Alice are so down to earth, you will enjoy their company and service on top of the yummy food :) Christina Veenoth, Singapore/Christchurch  
**Christina Chan, Singapore/ Christchurch, 2009**

“We thoroughly recommend the friendly helpful service and absolutely delicious food - my Laksa was SO full of flavour and very reasonably priced. My only complaint..... I was unable to finish the whole bowl as I was too full!!! A great place to come for authentic very reasonably priced food. Look forward to our next visit. Thanks Alice and Peter for a true Malaysian Delight  
**Virginia and Arthur, Christchurch, 2009**

“Well...what a surprise for a fellow Malaysian foodie who has lived in this country for over 30 years. I have always been on the hunt for authentic food. Frustrated with dining out guides, I found this gem on the web...and what an awesome web site. Being from out of town, I walked for an hour looking for the place. It was worth the Walk. Dining here brought home memories of what i have missed all these 30 odd years - good authentic Malaysian cuisine. Continued above!  
**John Fam, Hamilton, 2009**

“We were a group who had all lived in Asia-the meal was just great and the staff helpful and friendly. The price was very reasonable considering that we had 2 entrees and 5 main dishes with rice (\$16 per person) I would especially recommend the Penang Fried Kueh Teow and the Sambal fish. We will definitely be back!  
**Diane, Christchurch, 2009**

## Year 2008

“ Authentic Malaysian food at an affordable price. I lived in Asia for a couple of years and this is one of the best in Christchurch. Lovely clean restaurant and friendly service.

**Pauline, Outer Christchurch, 2008**

“ First try today. Clean place and for a take away place OK. Not really a place for a (semi)- formal dinner though. Food is 100% authentic Malaysian (I have travelled to Malaysia a few times). Loved the food, although one meal was served cold. Was reheated when asked so no problem. Great price for high quality food. Will be back and recommend this place to others.

**Edwin, Christchurch, 2008**

“ Cleanest Restaurant I have been into for a long time and the meal was superb.

**Mereana, chch, 2008**

“ Their food and service was amazing! This is the best Malaysian restaurant ever. I would love to go back there again and again. I highly recommend Malaysia Delights to anyone. The prices are very reasonable but the quality of the food is unbelievably high. Try Penang Lobak for an Entree, Sambal King Prawn and Penang Fried Kueh Teow for main. They are so tasty!

**May, Christchurch, 2008**

“ Service and authentic tastes as good as we have had anywhere. Highly recommended you won't be disappointed.

**NORMAN, CHCH, 2008**

“ We had booked the restaurant for a Birthday Party for about 25 people. I must say that the food and the hospitality was of highest standard. I recommend trying out the excellent food in this restaurant.

**Souvika, Christchurch, 2008**

“ Lovely restaurant, clean with a great atmosphere.  
The food was delicious and very cheap.

**Tracy, Christchurch, 2008**

## Year 2008

“Malaysia Delights truly lives up to its name. It's an absolute delight to be able to enjoy lovely and authentic Malaysian food right here in Christchurch. I have recommended this place to my friends and many of us have made this our regular dine-in/takeaway restaurant. They also serve the most authentic wonton noodle in town! Well done, keep up the good work! :)  
**Zoe, Christchurch, 2008**

“Original taste!! Can't find such taste in other Asian Restaurant in Christchurch!!  
**Chin-Ping, Christchurch, 2008**

“Absolutely brilliant. Very authentic. I love Malaysian food and have been hoping that we would be able to enjoy this great cuisine here in Christchurch. Highly recommended. Food, service and price, I will go there again and again :)  
**Hugo, Christchurch, 2008**

“Being a Singaporean living in Christchurch I am always looking out for restaurants that have Singaporean and Malaysian food. Malaysia Delights was a great experience for me. The food was great - very authentic. I will definitely be back again. Thank you for the experience.  
**Chris, Christchurch, 2008**

“The fried kuah teow was exquisite with homemade fresh chillies...though I must add that a higher heat factor would have been good but not all have tastes like mine. The food is so good I had to take some takeout for supper in my hotel room. I am looking forward to the aromatic rice and bbq honey pork and the home made chilli sauce, Peter and Alice Foo, I will be back whenever I am in town. You Cantabs this is the place to dine if you want Malaysian cuisine.  
**John Fam, Hamilton, 2008**

“As a student I appreciate good quality affordable food. This place certainly delivers with great food and service. When my friend rang up to make a booking she informed the owner that I was gluten free. Naturally I was very surprised on the day that he'd put together a special menu of things I could safely eat. This was very much appreciated. It was a wonderful night, I would definitely recommend Malaysia Delights to all those who want authentic food at a price that won't break a student's budget
